

Specific terms and conditions

REACH Compliance Review

Our REACH Compliance Review service is designed to provide a structured and interactive review process of the current implementation of REACH Compliance in your organization. The stepwise project approach includes:

- 1) Preparation phase
 - Customer & Jongerius Consult plan and agree upon date & location
 - Jongerius Consult will send a draft agenda / outline for the REACH Compliance Review
 - Customer will inform Jongerius Consult on the participants (name & roles) and provides a list with known REACH Compliance issues / questions
- 2) REACH Compliance Review on site
 - Interactive one day session on location (9:00 – 17:30). Together with your relevant staff, we will check your business case against the main REACH Compliance requirements and bench mark the actual implementation of REACH Compliance against the best practices from other companies and known expectations from competent authorities.
- 3) Follow-up
 - The results of the REACH Compliance Review are captured in the REACH Compliance Review checklist & discussed during the session on site.
 - No further follow-up is foreseen (unless agreed upon differently)

By placing an order on www.reachsupportnetwork.eu and payment of the agreed one-time fee, the Customer has accepted [the generic terms and conditions on the website](#) and these specific terms and conditions. As such, under the agreed terms and conditions, the one day REACH Compliance Review will be planned on the location and date to be agreed upon with the Customer.

The REACH Compliance Review materials are Intellectual Property (IP) of Onno Jongerius Consult BV. It is developed to the best of our current knowledge and expertise available. The impact and possible anticipation to REACH on your business case will be discussed to the best of our current knowledge and expertise. The materials are offered to the participants in good faith and no representations or warranties are made with regards to the accuracy or completeness of the materials offered. The information exchanged will be considered as business confidential and will be treated as such. No liability will be accepted for damages of any nature whatsoever resulting from the use of or reliance on these materials and information exchanged during the REACH Compliance Review.

The REACH Compliance Review project is subject to the generic conditions of the 'DNR 2005, Legal relationship client – architect, engineer and consultant'. These standard generic conditions include clear confidentiality statements and conditions. A copy is available on the website.

The Customer is and remains responsible to be aware of and to be compliant with the legal requirements from the relevant EU and National chemicals legislation (including REACH).

Dutch law is applicable to these terms and conditions.
